

ANNUAL REPORT 2022

Sadaqah Smile

sadaqah smile

INTRODUCTION

We are proud to release our first financial report for Sadaqah Smile, in which we record our projects through 2022. This special year marked the beginning of a journey full of hope, compassion and the pursuit of positive change around the world.

In 2022, Sadaqah Smile implemented two projects: food aid and winter project. The funding for both projects came from two sources, '*donations online*' and '*donations from the board*'. The board members covered all additional costs to ensure that all '*donations online*' were spent only for purposes of the projects. These additional costs include fees to local aid organisations, transport, accommodation and transaction costs.

Finally, on behalf of the board members, we would like to thank everyone who has contributed to the success of Sadaqah Smile's projects. You have made positive change possible and brought hope to those in need.

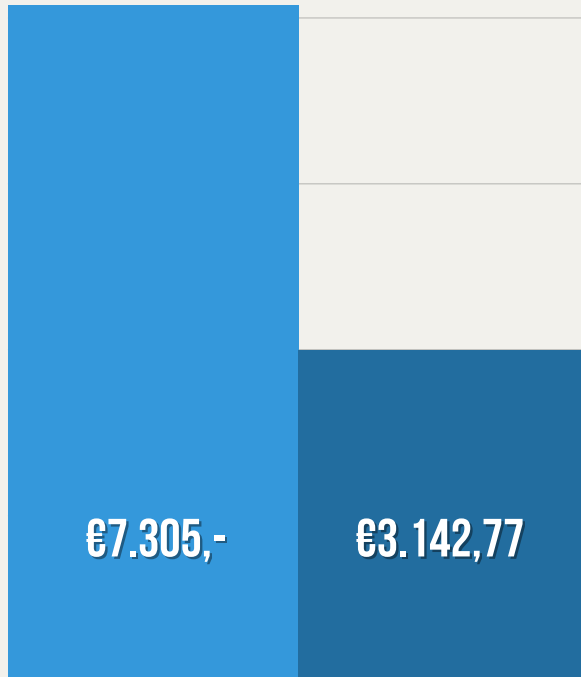

Sincerely,

Mohamed Amine Absissen (Chairman)
Yassine Bounou (Secretary)
Idriss El Mellaoui (Treasurer)

Sadaqah Smile
